

## Policy on the Wishing Well Noticeboard

1. The noticeboard is for the benefit of residents of Seascale and visitors to the area. Its primary function is to give details of essential services and to display public information announcements relating to the village and the immediate vicinity.
2. Items promoting charitable events or events which contain a charitable fund-raising element will be accepted for display, subject to available space. Advertisements and notices of a commercial nature will not be accepted.
3. Advertisements can be placed in the Seascale Village Magazine and events can be promoted there through the Events Calendar. There will be a permanent item on the notice-board to draw attention to this.
4. There will also be a link to the village website [www.seascaleparish.com](http://www.seascaleparish.com) which lists forthcoming events and gives more local information than can be displayed on the noticeboard.
5. Out-of-date items will be removed promptly from the notice-board.
6. The responsibility for updating the notice-board will be that of the Clerk, who will keep the key.
7. In the absence of the Clerk the notice-board will be updated by the Chair of the Parish Council.
8. The Wishing Well notice-board may display notices from the Parish Council in cases of public interest and/or when items cannot be included on the main Parish Council noticeboard outside the library.
