

DO YOU WANT TO BE A LITTER SUPERHERO?

We are looking for some more people to join our Rubbish team to help keep our beautiful foreshore clean and tidy during the tourist season.

During the last two years we are proud to say that Seascale has been one of the cleanest and tidiest beachfronts locally due to the way we are collecting and disposing of the litter. We would like to become even more efficient in the way we do things. There are several opportunities, both paid and volunteer.

Duties include:

- Alerting operatives that the bins are full so someone can come and empty them.
- Emptying the litter bins and transporting the rubbish in bags on a trolley across the carpark to the conveniently located trade waste bins.
- General litter picking duties.

Hours are flexible and variable and can be negotiated.
