

WREATH MAKING WORKSHOP

**When: Sunday 28 November 2021
1.30 - 4.30pm**

**Where: Seascale Sports Hall, Gosforth
Road, Seascale, CA20**

Make a uniquely beautiful Christmas wreath, no experience necessary. We'll provide the mossed ring, wires and tuition from Vanessa Adams.

We'll have plenty of foliage here if you don't have time to gather anything, along with a variety of adornments.

**** To personalise your wreath, feel free to bring some of your own foliage or twigs too, along with final decorations such as oranges/certain seed heads, feathers, shiny baubles and any special ribbons ****

It's always nice to share out foliage when we have spare. Please also bring along a pair of secateurs, gloves and an apron.

Refreshments available and a raffle

Prior booking & payment is essential.
